Privacy Policy Relating to Flue (Influenza) Vaccination

1. Personal Data

Within the framework of information on flue (influenza) vaccination, your personal data are processed. According to Art. 4, No. 1 of the EU General Data Protection Regulation (GDPR), personal data are all data that can be related to an identified or identifiable natural person.

2. Controller

The controller responsible for data processing according to the GDPR and other data protection regulations is:

Karlsruhe Institute of Technology (KIT)
Kaiserstraße 12
76131 Karlsruhe, Germany
Phone: +49 721 608-0
Fax: +49 721 608-44290
Email: info@kit.edu

Karlsruhe Institute of Technology is a corporation governed by public law. It is represented by the President Professor Dr. Holger Hanselka.

Our Data Protection Commissioner may be contacted at datenschutzbeauftragter@kit.edu or by ordinary mail with “Die Datenschutzbeauftragte” (the Data Protection Commissioner) being indicated on the envelope.

3. Data Processing

In addition to your contact and health insurance data collected on the information sheet, also medically relevant data about you are collected (allergies, chronic diseases, medication intake, pregnancy, acute diseases).

We ask for your name, date of birth, affiliation to an organizational unit, and building number in order to be able to assign your information and approval. Your office telephone number is collected to contact you with regard to the vaccination. Medically relevant data are collected to ensure safe
treatment. We ask for your health insurance to ensure (partial) reimbursement of vaccine costs by the insurance company to KIT.

If you have a statutory health insurance and agree to the transmission of your data to the insurance company, we will transmit your family name, your first name, your date of birth, and the type of vaccination.

4. Legal Basis

The legal basis for the processing of data needed for the conclusion of the treatment contract and the execution of the treatment is Art. 6, par. 1, cl. 1 (b), GDPR. According to Art. 9, par. 2, h, and par. 3, GDPR, your health data may be processed.

The legal basis for the transmission of your data to the statutory health insurance company is Art. 6, par. 1, cl. 1, a, GDPR, as the data are processed based on your approval. Your approval is of voluntary character.

5. Storage Duration

Your data will be stored as long as needed for the execution of vaccination, proving your information and approval, ensuring your health, and potential reimbursement of vaccine costs and as long as legal storage obligations exist. According to Art. 630 ff, par. 3, BGB (Civil Code), we are obliged to store the patient's file for a duration of ten years after the treatment, unless other storage periods are specified by other regulations. Upon the expiry of this storage period, your data will be erased, unless you have expressly agreed to the use of the data after this period.

6. Your Rights

According to Art. 7, par. 3, GDPR, you can revoke your approval at any time with effect for the future. This revocation may also refer to certain parts of this policy.

As for the rest, you have the following rights as far as your personal data are concerned:

right to information (Art. 15, GDPR),
right to rectification (Art. 16, GDPR),
right to erasure (Art. 17, GDPR),
right to restriction of processing (Art. 18, GDPR),
right to data portability (Art. 20, GDPR).

You have the right to complain about the processing of your personal data by KIT with a supervisory authority (Art. 77, GDPR).
